LOT 20 - International 1486 Diesel Tractor

Description

IH 1486 diesel tractor with factory cab, 520/85R38 rear rubber, 540 & 100rpm PTO, 3-point (no 3rd arm link), dual hyd. banks, one dual hub on the axle, meter reads 5080 hours (accuracy of meter unknown), (4) front weights, shifts hard, door latches need attention. Note from seller: *I purchased this tractor during off-season, I have not personally used the tractor, as far as I can tell all gears work, engine runs good, 126-hp, field ready.* Note from Auction Co.: regardless of what seller says we sell all items absolutely as-is regardless of what is said or written. Personal inspection always recommended.
