LOT 12 - 1999 Jayco 5th Wheel Camper (read more)

Description

1999 Jayco 5th wheel camper - master bed w/ queen size bed, built in storage, kitchen w/ stove, refrigerator, microwave, pull out couch, dinette table, rocker. Note from seller: New AC fall of 2023, Tires are 4 years old, Full service last year at Willys RV, Roof resealed 3 years ago, (willies caulked everything last year). Needs new batteries & a few lights in the back. Auction co sells all camper appliances as is working or not.

July 2 update - it has been brought to our attention that the frame over the 5th wheel portion of this camper has a crack in it. The seller was not aware of this. It is difficult to see but can be seen by peering between the sheet metal near the hitch. This metal frame will most likely need to be welded or repaired. Auction Co. and Seller are disclosing this defect so that all bidders are aware. Do NOT bid unless you are willing to accept AS-IS.
